

PROLIFICS WINS 2003 IBM AMERICAS BUSINESS PARTNER LEADERSHIP AWARD

IBM Awards Prolifics For Achieving Highest Levels of Customer Satisfaction, Commitment, Contribution and Competency

New York – March 2, 2004 – Prolifics, a worldwide enterprise business solutions provider and IBM Premiere Business Partner, announced today that it was awarded the prestigious 2003 IBM Americas Business Partner Leadership Award. This honor was presented at the 2004 IBM PartnerWorld Conference, which took place February 29 - March 3, at the Mandalay Bay Resort Hotel & Convention Center in Las Vegas, NV.

The 2003 IBM Americas Business Partner Leadership Award was bestowed to only 14 Business Partners around the globe -- all whom had risen to IBM's highest level of achievement as Premier Business Partners. The award was based on the performance of those Partners who best met the following criterion: customer satisfaction, commitment to the delivery of quality products and service, contribution as demonstrated by business performance, and competency through investments in certified skills development of employees.

Among Prolifics' outstanding achievements that IBM recognized were: doubled revenue growth across the IBM product and services line, demonstrated and expanded skills to provide e-business infrastructure and application enablement over the Web, Finalists in 2003 IBM Beacon Award in 2 categories - Best WebSphere e-business Solution and Mid-sized/Regional Consultants & Integrators - Implementing an IBM e-business Solution - Implementing an IBM e-business Solution.

"We are truly honored to be recognized among thousands of business partners for the 2003 IBM Americas Business Partner Leadership Award," said Frank Vafier, Prolifics Chief Executive Officer and Co-Founder. "This is a tremendous recognition for our company and further strengthens our dedication to providing the highest quality solutions and commitment to maintaining customer satisfaction."

In addition to being an IBM Premier Business Partner, Prolifics is 1 of 3 WebSphere Service Providers retained by IBM to service their most challenging Portal and WebSphere implementations across the globe. Prolifics is ranked a Level 4 & 5 WebSphere partner – IBM's highest on its technical expertise scale.
