FOR IMMEDIATE RELEASE

**PROLIFICS HONORED WITH PRESTIGIOUS IBM LOTUS AWARD
Prolifics Awarded with Best Portal Solution**

New York, New York, January 23, 2006 – Prolifics, an IBM WebSphere Services Provider and premier level member of IBM PartnerWorld, today announced that it has been awarded the IBM Lotus Award in the Best Solution category for the 12th annual IBM Lotus Awards. IBM Lotus Awards recognize exceptional IBM PartnerWorld members that specialize in Lotus software solutions and have excelled at providing quality products, innovative solutions and superior services to customers.

Prolifics experts were honored for the portal solution delivered to a leading physician services and information technology systems provider. The new and innovative client portal provides the company with a strategy to leverage assets on the Web as well as provide their clients – clinicians and practitioners - with a wide array of fully-integrated clinical, administrative and financial features through a comprehensive self-service portal.

“To be awarded one of IBM’s most highly coveted awards is a tremendous compliment to Prolifics,” says Frank Vafier, Prolifics’ Chief Executive Officer. “Prolifics is very proud of this and our many achievements with WebSphere Portal. This recognition illustrates the highly-specialized skills, quality of service, and high-value solutions that we bring to our customers throughout the world.”

About Prolifics

Prolifics provides WebSphere, Portal, SOA and Business Integration solutions to Fortune 2000 companies around the globe. Since 1978, Prolifics has leveraged best practices, proven methodologies, and real-world expertise to help organizations reach new markets, achieve increased customer satisfaction and ease collaboration within their enterprise. Recognized for its excellence, Prolifics has gained an industry-high 96% success rate for deploying robust systems on-time and on-budget (independent survey by leading analyst firm).
